

Join our team as a Mechanic **XPLORE** Dundee a McGill's company

Who we are

Xplore Dundee is the city's largest public transport provider, running a comprehensive bus network to fulfil thousands of passengers' travel needs. We are a subsidiary of the McGill's group, which is the largest independent bus company in Scotland. We are looking to recruit PCV and/or trainee drivers to transport our passengers in a safe and timely manner. The role is an exciting opportunity to join a dynamic, forward thinking organisation and a great team, where you will deal with customer service in a fast-paced environment.

Main responsibilities

- To carry out vehicle repair diagnoses on any company fleet
- To complete internal paperwork and sign off on any repair undertaken
- To carry out all repairs to high company standards on vehicle safety and presentation
- To lend support to the engineering team to identify and diagnose faults as required by manager
- To keep up-to-date with legislative changes and other legal requirements
- To comply with McGill's group health & safety policy
- To participate in any relevant training in order to develop job skills and standards
- To carry out any other duties as required by the Operations Manager

Benefits of the job

- **Steady income** - earn approximately £32k per year
- **Plan ahead** - company pension
- **Get around** - free travel on Xplore Dundee coach and bus services for you and a family member
- **Look the part** - full, free uniform (and PPE) provision
- **Be a hero** - keep the city moving and help people travel more sustainably

More about the role

The successful candidate must be a time-served, fully-qualified PCV (or HGV) mechanic and hold the appropriate City & Guilds certificate (or equivalent qualification). PCV licence is desired but not essential. Successful applicants should also be well-motivated and able to work on a rotational basis with minimal direct supervision. Full details of the working pattern (which is based on a minimum 38hr week) available on request.

Submit an application

You can apply for this role in writing - just send us a CV detailing your skills and suitability by:

- **Post** - FAO Engineering Manager, 44-48 East Dock Street, Dundee, DD1 3JS
